## Approved Contractors

This program can save you money on your energy bills, increase your comfort level and help the environment. Listed below are the Home Performance contractors approved by Boone Electric Cooperative. These contractors are specially trained to make recommendations and improvements to your home so it can be Energy Star® rated. Please make sure you get a quote for the fee of the assessment before you schedule an appointment. Once a Home Performance assessment has been performed, you will be eligible for Boone Electric's rebates.
